Advent Saint: The great Saint of Advent is St. John the Baptist. St. John was six months older than Jesus. At the visitation of Our Lady to his mother Elizabeth, he leaped for joy in her womb at the greeting of Our Lady, who was carrying the Saviour. After his birth, he lived his life hidden from the world. Then, a short few years before Jesus revealed Himself, St. John had been calling the people to conversion and repentance. He was preparing the people who were to become the disciples of Jesus. St. John speaks to us during this Advent, reminding us to go to Jesus, who will baptise us with the fire of the Holy Spirit. St. John is an example to all of us, by his faith in Jesus. He is again calling us to this Advent, to prepare our hearts through repentance, for the celebration of the birthday of the Saviour.
